For Savings and Home Financing

See Old Colony First

Profitable Savings Plans

Old Colony Monthly Payment Shares help you build up funds for retirement, the down-payment on a home, college expenses for your children, or any worthwhile purpose. You may buy any number of shares you please. Even small amounts grow rapidly; for example — $5. per month to $1000. — $10. per month to $2000., etc.

Old Colony Savings Shares enable you to save what you can when you can. You may open a Savings Share Account with as little as $5. It's the easy way to accumulate cash for such yearly expenses as taxes, fuel bills, insurance premiums, and other lump-sum payments.

All Shares earn liberal dividends compounded semi-annually.

Low Cost Home Financing

When you buy a home, just make a reasonable down-payment—then repay your 12-Point Mortgage monthly, like rent. With liberal loan periods from 10 to 20 years you can choose a repayment schedule to fit your budget. The low interest rate is reduced by ½% three times during the life of the loan.

When you build, Old Colony advances funds as construction progresses. Thus you have ready cash for advances to the contractor and for materials. No monthly payment on principal is required until you move in, if this is within 6 months of the date of the mortgage.

A 12-Point Mortgage cannot be called while your monthly payments are up to date.

FACTS!!

ABOUT CITY DIRECTORY CIRCULATION

The true value of advertising circulation is circulation consulted — "User Circulation."

To be exact by actual survey in twenty-four average American cities, by actual count, each City Directory averaged three and one-half consultations for each business day.

To be conservative we will eliminate the sixty Sundays and Holidays when no tests were made.

For every thousand Directories sold there is an average of three and one-half daily consultations for each book for three hundred and five days, therefore —

$1000 \times 3\frac{1}{2} \times 305 = \mathbf{1,067,500}$

Consultations or "User Circulation"

The City Directory offers the most Specific Point of Contact Advertising Known

"Not For PROFIT!"

.... but for Your Protection

SEE US

1. When you need reliable information concerning your **contemplated** investments—large or small.
2. If you feel you have been **seriously** misled by an advertisement.
3. If you feel **sure** you have been the victim of a fraudulent transaction.
4. If you believe you have **definite** evidence of a scheme to swindle the public.

WE CANNOT

1. Give legal advice.
2. Help you to break legally made contracts.
3. Ask merchants for refunds because you have changed your mind about the merchandise.
4. Give credit rating on companies or individuals.

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

★ **The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED** ★

Out of Sight! • Out of Mind! • Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

★ **The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED** ★
